Requirements

Participants must not have been under contract at a German Variety theatre until the Newcomershow.

There is **no age limit** for participating at the Newcomershow. Application Deadline is **26th March 2020**. Details about participation are available in the FAQ section on our website: www.newcomershow.net

Jury & Awards

Aside from the aim to show new artists to the professional audience, the Newcomershow is also a competition at which certain acts will be awarded with a contract. A jury consisting of six to seven representatives of German Variety theatres will judge and award the performances of the artists. The Grand Award of the Jury includes a contract in a show at Krystallpalast Variété. Selected Variety theatres will contribute special awards, also connected with a contract.

Furthermore, the audience will choose their favorite act on all nine evenings. The winner will be announced on Sunday, 12th July at the Gala after the show, along with the winner of the Grand Award of the Jury and the special award winners.

Arrivals

Arrivals are Monday, 29th June and Tuesday, 30th June. The exact arrival time needs to be given as soon as possible after the selection.
